A Note of Gratitude and Invitation to Support CHFM

Chapel Hill Friends Meeting

531 Raleigh Road, Chapel Hill, NC 27514

Dear Friend,

We are deeply thankful for your presence and participation in the life of Chapel Hill Friends Meeting, and for your past financial support. Your gifts help sustain our shared spiritual community and the many ways we seek to live our faith in the world.

In recognition of *Giving Tuesday* (December 2nd this year), we invite you to take a moment to reflect on your contributions to CHFM this fiscal year (that is, since July 1, 2025)

As of October 31, 2025, we had received 22% of our needed contributions for this fiscal year. We are well behind where we were at this time last year.

Your donations make it possible for our Meeting to thrive. They fund the work of our committees, and they cover ongoing needs such as utilities, insurance, childcare, and essential administrative functions. When sufficient funds are available by our decision point at the end of March, we are also able to fund benevolences—financial support to national Quaker organizations, local nonprofits that CHFM helped establish, and other groups with whom we share common values and commitments.

We recognize and honor the differences in financial capacity among Friends. Every contribution, in any amount, is most welcome!

Would you contribute today to Chapel Hill Friends Meeting?

With thanks and warm wishes for the holiday season,

We had a wonderful Forum presented to us by Raleigh Friends who have been considering right action in today's world, working from the example of John Woolman. Attached are the documents which they have created and shared with us.

They and our P&J committee ask Friends to consider if CHFM shall sign on to a Call to name the events in Gaza a genocide.

Matt Drake expressed his gratitude to the Meeting for their support of him and Lynn.

2. Rita Kuwahara introduced her fiancé, Haralamb Braileanu, as a first-time attender.
3. The Minutes of the October 2025 Meeting for Worship with Attention to Business were approved with a correction to the minutes (a missing word) and a small correction to the numbers in the Finance Committee report.
4. Carolyn White presented a request to approve membership for Mark and Tori Toles on behalf of the Ministry & Worship Committee. She read short biographies for Tori ([Appendix A](#)) and Mark ([Appendix B](#)) and then presented the following minute for approval:

In June 2025, the Meeting received a request for membership from Mark and Tori Toles. In response to that request, Ministry and Worship Committee convened a clearness committee with the following members: Lynn and Matt Drake, Jennifer Leeman, and Tom Munk. After the clearness committee’s initial meeting, both Lynn and Matt experienced health problems and

asked to be replaced. M&W named Carolyn White to the committee. Following the second meeting, the committee came to clearness on recommending Mark and Tori for membership. Today, the Ministry and Worship Committee brings forward for the Meeting's approval this minute recommending Mark and Tori Toles for membership in the Chapel Hill Meeting of the Religious Society of Friends.

Friends approved the minute with appreciation for Mark's and Tori's contributions to the Meeting. A welcoming committee was formed with the following members: Carolyn White (clerk), Carolyn Stuart, Madelyn Ashley, and Dottie Heninger.

5. Julia Cleaver presented a request to approve membership for Tony Hickey on behalf of Ministry & Worship Committee. She read a short biography ([Appendix C](#)) and presented the following minute for approval

A Minute of Support for Tony Hickey's Membership at Chapel Hill Friends Meeting
Our clearness committee met with Tony on two separate occasions. Members included Julia Cleaver (clerk), Monteze Snyder, Matt Drake, Gwynne Pomeroy and John Pilgrim. During the first meeting, we explored Tony's leading to Quakerism generally and to Chapel Hill Friends specifically. Tony recounted his long exploration of many faith traditions, both Western and Eastern. Several years ago, a friend suggested he might want to explore Quakerism. Tony did significant study of Quaker history, beliefs and practices and decided to begin attending Chapel Hill Friends 2 1/2 years ago. He quickly realized that he was a Quaker and has been attending regularly since, typically at early Meeting. After careful discernment, he requested membership and a clearness committee. During our conversations, we became clear that we are in **unity** that Tony is called to be a Quaker. Our second meeting focused on what Tony sees himself bringing to CHFM and giving to it. Tony is very interested in serving on the Carolina Friends School Board and has discussed that with others. However, because of CFS procedures, that cannot occur before the Fall of 2026. In the meantime, Tony is considering other possible avenues and is eager to become more involved. He is keenly interested in Quaker involvement in the wider world and may explore avenues for being more active in that himself. After careful discernment, the clearness committee is **united** in affirming that Tony has many gifts that he is very eager to share with CHFM. We look forward to welcoming him to membership in the meeting.

Friends approved the minute with appreciation for Tony joining our community. Plans to create a welcoming committee were delayed a few months due to health concerns that prevent Tony from being in-person in community with others.

6. On behalf of Care and Counsel Committee, Alice Carlton presented a request to approve the marriage of Rita Kuwahara and Haralamb Braileanu under the care of the Meeting. A clearness committee, including Alice Carlton, Bonnie Raphael, and Carolyn Stuart, met twice, once in person and once via Zoom and came to clearness on the marriage. Friends approved the marriage.

The wedding is planned for February 14. A wedding committee has been formed and includes Alice Carlton, Bonnie Raphael, Carolyn Stuart, Jennifer Leeman, Gwynne Pomeroy, Wendy Michener, and Dottie Heninger.

7. Kate Fitch, clerk of Adult Religious Education Committee, presented the committee's annual report ([Appendix D](#)). The Meeting accepted the report with gratitude for the richness of the forums, the work of the committee, and Kate's leadership.

8. Dave Curtin, clerk of Library Committee, presented the committee's annual report ([Appendix E](#)). Questions were raised about plans to renovate the library and a desire for renovation planning to resume. Friends with input on renovations were invited to complete a survey (see link below). The Meeting accepted the report with appreciation for all the work the committee does, much of which is behind the scenes.

10. The next Meeting for Worship with Attention to Business is planned for 9:00 AM on December 21, 2025.

11. Announcements: Piedmont Friends are inviting a Chapel Hill Friend to join the planning committee for the annual retreat June 5-7. Quaker Harmon has agreed to provide technical support. Please let Jeff Brown if you would be willing to join the planning committee.

Appendix A: Tori Toles Request for Membership

Biography: Tori McClaran Toles

Tori grew up in Hawaii, as did both of her parents. She is the youngest of 4 siblings – 2 of whom still live in Hawaii.

After graduating from San Francisco State University, she joined the Peace Corps and spent 2 eye-opening years in the Democratic Republic of the Congo, then called Zaire.

After the Peace Corps, Tori lived in Washington, DC where she worked at Joseph's House - a Ministry connected to the Church of the Savior.

Joseph's House was a hospice for unhoused men dying of AIDS. There she met Sister Mary Daniels whose deep faith and love for others made such an impression on her that she decided to become a nurse. She moved to New York City to go to nursing school and met Mark.

Tori and Mark moved to Hawaii to be close to her family, and where she always wanted to return. Their daughter Katie was born there.

When Katie was in 5th grade, the family moved to North Carolina (about 18 years ago). Tori continued nursing at UNC, and finished her career as a school nurse in Chapel Hill. Happily, Tori and Mark see Katie relatively frequently as she now lives and works in New York City.

Appendix B: Mark Toles Request for Membership

Biography: Mark Toles

Mark Toles was born in Lubbock, Texas in 1963 and his brother John Toles was born in Bastrop, Louisiana in 1964. Mark and John's parents, Don and Marie Toles divorced when Mark and John were little, and they were mostly raised by their mother's mother - Elvy Pettiss.

Mark loves the seasons, the woods, and literature. He graduated from the University of Texas Austin with a degree in English in 1988. A few years later, Mark met Tori and in 1995 they got married.

Mark and Tori have one daughter, Katie Toles, who is now 28. Mark and Tori love their time together, time with Katie, their house in Chapel Hill, taking walks, and visiting with friends and family.

Mark works as a nursing professor at UNC Chapel Hill, where he is a researcher in geriatrics. As time has passed, Mark has begun to deepen

his connection with others, especially Tori, Katie, John (his brother), his friends, and members of the CHFM.

Biographical Sketch

I was born and grew up in Herefordshire in the west of England, on the Welsh borders. I trained as a pharmaceutical scientist and moved to the US 40 years ago to work as a post-doctoral fellow at the University of Kentucky in Lexington. Later I moved to my first faculty position at the College of Pharmacy at the University of Illinois at Chicago.

I have been happily married to Lesley (Marson) for 37 years (we have known each other for 45 years). We have two daughters. Helen, the oldest, is a dance instructor and lives in Raleigh and Ruth is a sales person and lives in Gilbert, Arizona.

I came to the School of Pharmacy at the University of North Carolina in 1993 as a professor, educator, and researcher and served in this role until 2010. During this period, it was my pleasure to teach pharmacy professional students and graduate students working on drug delivery systems. My research interests were in inhaled therapy for a variety of lung diseases. In 2011 I moved to RTI International as a Distinguished Fellow where I continued to conduct research and development of novel therapies for tuberculosis. Along the way I founded several companies that were based in RTP. I formally retired in 2024 but retained emeritus positions at UNC and RTI. I continue to serve on several scientific and editorial boards and volunteer for different local and national organizations. I hope to be able to actively serve CHFM in the future.

My connection to the Society of Friends goes back to a period during my education in Birmingham in the UK and more recently to reconnecting with a Friend living in Washington DC. It has taken a lifetime to discern my connection, but I am grateful that the way became evident. I generally

attend early meeting, so it has taken a little time to meet folks on the occasions I attend 11am meeting. I realize I have many more people to meet and look forward to doing so in the coming months and years.

Appendix D: Adult Religious Education Annual Report 2025

The Adult Religious Education Committee works to enhance the spiritual life of the Meeting community and to nurture the spiritual and intellectual growth of Meeting members and attenders. Our primary task is to provide weekly forums on different topics connecting us to each other, our Quaker faith and practice, and to our role in our community and the greater world. We consider suggestions for forum topics by committees, members, and attenders and generate ideas within the committee.

This year, after several years of continuing through the summer with a worship sharing series, we suspended forums during the summer months. We thank everyone in the meeting for their support and patience as we took much-needed time away.

Our goal is to provide a range of topics and, to help us with that balance, each first Sunday (9 forums) has been managed by the Peace and Justice Committee. From August 2024 to June 2025, other forums included (8) peace and justice, (2) environment and sustainability, (1) personal sharing, (1) community/Quaker organizations, (8) community nurturing, (3) Quaker history, and (9) faith and practice topics. Our community discussed peace in Israel and Palestine, immigration, and racial equality, experienced artistic and trans-inclusive readings of the Bible, and shared with one another on love, death, holidays, animals, and the election. Across 28 forums, 6 were sponsored by committees (other than P&J weekly forums) and 5 featured outside speakers.

We also supported Tom Munk and the Care and Counsel committee on the development of small groups for worship sharing, which met at least 4 times between May and June. Kate Fitch developed the geographic clustering algorithm for small group assignments and ARE developed optional queries for these worship sharing sessions, leaving Tom Munk and Care and Counsel to manage beautifully the coordination, communication, and reporting of small group activities. We are enormously grateful for this work, and the work of hosts and facilitators, to make these small groups a success.

Since March of 2020, forums nearly always have been offered by Zoom. This has allowed us to engage a wider range of outside speakers, including those shown in the attached list. Participation in these zoom forums has been robust, typically between 20 and 30 attending. We thank the Zoom Working Group for their steadfast assistance, and encourage members and attenders to consider joining the tech host group. Over the past year, we have offered more

blended forums with the support of John Hite and Quaker Harmon. While a Zoom format is preferable for most forums, we greatly appreciate that individuals interested in offering a blended forum have been very proactive in planning and coordination with all involved.

As part of this report, ARE would like to comment on our budget for honoraria. For many years, ARE has requested a \$100 budget for honoraria for outside speakers. Typically, this pays the fee for only one speaker per year, and this is often an underpayment of their usual fee. We think it is right to financially support the work of Quakers and others who are called to ministry and to that end will be requesting a larger budget in upcoming fiscal years.

ARE welcomes suggestions for forum topics as well as suggestions for improvement. We thank the committee clerks and Meeting members for their forum suggestions as well as their willingness to prepare and lead forums. The committee works with the Publications Committee and Ministry and Worship Committees to ensure that forums are announced in a timely fashion and we especially thank Buzz Borchardt for his kind persistence in this effort. Forums are listed in the newsletter, on the Meeting's website and announced at the rise of Meetings for Worship.

In August we welcomed new member Walter Hjelt-Sullivan. Continuing members are Kate Fitch, Campo Lerrick, John Bell, Leslie Bassinger, and Calaway Rohloff. We would welcome additional members. Kate Fitch continues as clerk for her final year and notes that transition to a new clerk must occur in the next term year.

Respectfully submitted,
Kate Fitch

Appendix E: Library Committee Annual Report (2024-25)

The Library Committee maintains and improves the Meeting's collection of library books, periodicals, pamphlets, and other resources to further the life of the Meeting and its participants. It annually reviews the collection and purchases new materials on its own initiative as well as considering requests from committees and individuals. It works particularly closely with the Ministry and Worship Committee, the Children's and Youth Religious Education Committee, and the Adult Religious Education Committee. Attendance at committee meetings is open to all.

The Library Committee has continued to see less use of the library in the last year compared to pre-Pandemic levels. We appreciate that the ventilation work in the Library itself has completed, and we now have access to all the books, magazines, and pamphlets. The Library Committee had discussed ideas for potential remodeling of the library when the pandemic brought the end to discussions. This should be revisited for additional review.

Highlights from the last year.

1. The library committee has continued to maintain the collection in "Library Thing", our online guide accessible through the library link on our web site, and we are working on ways to enter pamphlets and other publications that are not from Pendle Hill.
2. We did finally receive *Prisoners of Congress: Philadelphia's Quakers in Exile, 1777-1778*.
3. We will continue paying the archivist at Guilford \$150 per year to archive our records.
4. We are printing copies of the newsletter on archival paper for the next volume of our archive.
5. We processed several book collections that were donated, and offered books that were not needed in our library to members and attenders. The few books that are left will be donated to the Chapel Hill Public Library
6. We had a forum on Library use and also on a new group of short books on Quaker faith and practice called *Quaker Quicks* which we purchased this year. We also created an on-line and paper survey to gather input into what should be remodeled in the Library.
7. Shortly after the forum, Jesse Cushman approached the library and offered to purchase additional books because of money left to him by a friend(Georgia), to be used "for Quakers". He purchased \$250 worth of *Quaker Quicks* for our use.

Goals for the coming year.

1. We have had additional donations of several books and will be going through them and working on the non Pendle Hill pamphlets to make them more available.

We thank Linda Drake for her service on the committee, and welcome Herb Derbie as a new member.

Please email library@chapelhillfriends.org if you have suggestions for purchases, subscriptions and the like.
